In order to confirm your enrollment in your course, you must complete these forms and return them along with your \$100 deposit (non refundable if you cancel, refundable if Cottonwood Institute cancels) no later than 2 weeks prior to the course start date by mailing them to:

Cottonwood Institute
P.O. Box 7067
Denver, CO 80207

The remaining amount of \$150 (or \$100 if we have 12 or more participants sign up for each course) is due one week prior to the start of the course.

INFORMATION ABOUT THE COURSE:

The Cottonwood Institute is excited to offer our Adult Essential Survival Skills Weekend course. During this course you will participate in an interactive survival scenario, learn about survival priorities, tips, strategies, and techniques, practice making a pine needle shelter, a lean-to shelter, and a debris shelter, and you will learn how to make a survival kit. This day will be action packed, so get ready to learn how to survive in a plush survival shelter!

After completing this course, you will practice survival skills, including:

- Survival scenarios
- Survival priorities
- Survival kits
- Shelters
- Modern fire making skills
- Medical scenarios

NUTS AND BOLTS:

- Course Name: Adult Essential Survival Skills
- Course Meeting Location: We will all meet at Chautauqua Park Ranger Station and then caravan together up to our basecamp.
Chautauqua Park Ranger Station
900 Baseline Road (9th and Baseline)
Boulder, CO
- Course Dates: You can choose between August 4-5, 2012 or September 15-16, 2012
- Course Start Time: 8:00 am at Chautauqua Park Ranger Station
- Course End time: 5:00 pm at Chautauqua Park Ranger Station

FOOD AND DIET:

You will be responsible for your own meals before and after your course, but the Cottonwood Institute will provide meals and snacks for this course. If you have any special dietary restrictions or allergies that we need to know about during your course, please indicate this information on your Medical and Health History Form and we will make sure that we accommodate you to the best of our ability. While we can make certain dietary accommodations for people with legitimate medical concerns, we may not be able to cater to individual cravings and food preferences. If you are addicted to caffeine (coffee, soft drinks, etc.) or sugar and candy, please try to wean yourself off of caffeine and sugar before your course because caffeine and candy will not be available during your course. Caffeine is a diuretic and will dehydrate you and is not recommended in the field. This will also be a smoke-free course, so if you are addicted to nicotine (cigarettes, chewing tobacco, etc.) please try to quit before your course starts or talk to your doctor about prescribing the patch.

WATER AND HYDRATION:

Staying hydrated before, during, and after your course is essential. Staying hydrated helps prevent altitude sickness and hypothermia and helps your body function like a well-oiled machine. If you notice a headache coming on, if you are feeling sluggish, tired, and have noticed you are in a bad mood, chug water because you are most likely dehydrated. You should be drinking at least 1 gallon (4 quarts) and going to the bathroom every 1-2 hours; otherwise, you are not drinking enough water! To keep your water bottles from freezing, put in insulated sleeve, pair of socks, or keep in your jacket next to your body.

GOING TO THE BATHROOM:

We may not have access to a bathroom facility during this course. To talk to Mr. Peabody, guys will go at least 50 feet away from where we are working and cover up their pee with snow to reduce the visual impact. If girls need to talk to Ms. Peabody, they will do the same. All toilet paper must be packed out, so we recommend bringing two zip lock bags to pack out all toilet paper. To talk to the Admiral (i.e. #2) all toilet paper must be packed out as well, so we recommend bringing two zip lock bags (one zip lock should have carpet deodorizer or baking soda to minimize the odor). We will talk more about Mr. and Mrs. Peabody, the Admiral, and bathroom tips and strategies during our pre-course meeting.

PHYSICAL CONDITIONING:

During this course, you should expect to be at altitudes between 5,280 feet and 9,300 feet. The better physical condition you are in when you arrive, the better experience you will have during your course. We recommend beginning an exercise routine before your course starts. Any cardiovascular activity, such as brisk walking, jogging, biking, or swimming, is highly recommended.

CELL PHONES AND ELECTRONICS:

Cell phones, pagers, iPods, palm pilots, and other electronic devices (except cameras) are prohibited during your course. You may need these items to communicate with the outside world before and after your course, but they will not be aloud in the field. We will be in remote areas of Colorado and cell reception is unlikely. One of our objectives during this course is to tune into the natural world and enjoy the present moment, quiet, and solitude. We will temporarily leave our normal lives, our hectic schedule, drama, homework, meetings, appointments, phone calls, emails, faxes, and to-do lists and relax into the wilderness!

ALCOHOL AND DRUG POLICY:

Alcohol and drug abuse by participants, volunteers, parents/guardians, is strictly prohibited during Cottonwood Institute programs and activities. Abuse of alcohol or drugs during a Cottonwood Institute course or activity may result in the immediate removal of that participant from the field. The Cottonwood Institute also reserves the right to search the belongings and/or person of any participant or volunteer who is suspected of violating the Drug and Alcohol Policy during a course. The Cottonwood Institute is not responsible for costs associated with removing a participant from the field while a course is in progress.

SAFETY CONCERNS:

Getting lost, dehydration, altitude sickness, hypothermia, and frostbite, although unlikely, are our biggest safety considerations during this course. In order to prevent injuries during our course, we will stay together and look out for ourselves and each other. Having the right equipment is essential for having a safe and enjoyable trip. It is also very important to drink lots of water even when you are not thirsty and to eat high calorie meals and snacks throughout the day. We will talk about how to prevent specific safety concerns when our course begins, so stay tuned for a more thorough safety briefing before we go into the field.

EMERGENCY COMMUNICATION:

If there is an emergency situation at home and you need to be contacted while we are in the field, please have your loved ones call April Pishna, Program Director, on her cell at 303.916.6081 or Madeline Bachner, Adventure Coordinator, on her cell at 307.413.8029. These numbers should only be used for emergencies and may not be used to check up on students in the field. We may not have minute-to-minute communication with Instructors in the field, so please tell your loved ones that no sign is a good sign while we are in the field! Your Instructors are trained in wilderness medicine and are prepared to handle backcountry emergencies. If there is an emergency while we are at our backcountry base camp, your instructors will make sure the scene is safe, will stabilize the patient, and will call Emergency Medical Professionals to secure medical treatment and coordinate an evacuation if necessary. In the event of an emergency the Cottonwood Institute will make every effort to call the emergency contacts listed on your course paperwork.

IMPORTANT PHONE NUMBERS:

EQUIPMENT LIST:

In order to participate in this course, you will need the following equipment. The Cottonwood Institute has gear available for rental if needed. Please see below for more information. If you have any questions about gear or need to rent gear, please call us at 307.413.8029 or 303.447.1076 or email us at madeline@cottonwoodinstitute.org and we will be happy to assist you.

Having the proper gear will make for a much more comfortable experience, so please ask us if you have any questions. Please note that you are responsible for carrying your own personal equipment during our course, so pack light. If something is not on the equipment list, you do not need it during our course. Personal items you need before and after your course will be stored in our locked gear trailer, but will not be accessible once our course begins. You do not need to buy the most expensive gear to come on this trip.

Please bring the following personal gear:

- Backpack to carry gear (Internal or external frame backpack will work)
- 1 three-season tent with rain fly
- 1 sleeping pad
- 1 twenty-degree backpacking sleeping bag - Anything rated above 20 degrees may be chilly. Do not bring the kind of sleeping bags that roll, you will need a backpacking sleeping bag that will stuff into a small stuff sack. Also do not bring cotton sleeping bags – leave the 1980 Star Wars or Snoopy sleeping bag at home. Your sleeping bag should be synthetic or down filled.
- 1 crazy creek camp chair to sit on (recommended but optional)
- 1 pair sturdy boots or shoes – It is important to break in your boots before your course. If you show up with new boots on your course, blisters are inevitable.
- 2 pair of wool socks.
- 1 long underwear bottoms - No cotton.
- 1 long underwear tops - No cotton.
- 1 sturdy long pants – You will need to wear long pants for our service work. Carhartt pants or Army fatigues are preferred, but jeans will work.
- 1 long sleeved cotton t-shirts - Long sleeve shirts are preferred for building shelters, but short sleeves will work.
- 1 light sweater, pull over, or light jacket - Wool is preferred, but fleece will work. No cotton.
- Rain gear tops and bottoms – Avoid cheap plastic raingear that will tear or shred. Breathable fabrics like Gore-Tex are preferred, but can be expensive. Other lightweight, breathable, waterproof nylon fabrics will work.
- 1 pair leather work gloves or gardening gloves.
- 1 hat with brim – A baseball hat or sun hat will work fine.
- 1 wool/fleece hat – A balaclava is preferred because it covers the head and neck.
- 2-3 wide-mouth 32-ounce water bottles – Staying hydrated is key, so bring water bottles. You may also bring a Camelbak if you prefer, but bring a 32oz water bottle for back up just incase something happens to your Camelbak.
- Plastic bowl/plate and spoon/fork
- Insulated mug
- 2 Bandanas
- Sunglasses
- Eyeglasses if needed – We do not recommend bringing contacts. We may not have access to running water and putting dirty fingers in your eyes is not recommended while camping out. Your contacts can also get dirty/sandy and can be a problem dealing with in the backcountry. Don't worry - nobody will care what you look like with glasses!
- Toothbrush & toothpaste
- Sunscreen
- Chapstick with sunscreen
- Bug repellent – Bugs can be heavy on our courses, so we recommend insect repellent with DEET that repel ticks as well. Use herbal bug repellents at your own risk. Personally, we have found that the herbal bug repellents don't work very well if the bugs are bad.
- Mosquito head net – Optional, but highly recommended if the bugs are bad.
- Headlamp or flashlight and extra batteries.

- ❑ Personal medications, feminine hygiene products - If applicable.
- ❑ Journal and pen/pencil.
- ❑ Camera (Optional)
- ❑ Knife – Our courses will require the use of a carving knife. You will need a 2” – 4” fixed blade knife with sheath for this course. Serrated blades are popular in the stores but are not recommended because they are for cutting rope, not for carving wood. We recommend the knives from Frosts Mora, which can be purchased online at: <http://www.cottonwoodinstitute.org/store/ci-merchandise/>. If you bring a folding blade, the blade must lock for safety. This means no Swiss Army Knives unless the blade locks. **DISCLAIMER: If you are traveling to an airport, your knife must be packed in your checked baggage. Do not bring your knife in your carry on bags or you will get into trouble with local and Federal authorities.**

RENTAL EQUIPMENT LIST AND PRICE SHEET:

The Cottonwood Institute has the following gear available for rental. To rent equipment for your course, please contact us at 303.447.1076 or 307.413.8029 as soon as possible. We take equipment rental reservations on a first come/first serve basis based on availability and we require payment in advance. If you are receiving a scholarship for your course, the following equipment is available free of charge thanks to a generous donation from REI.

- **Backpack:** \$10 per day
- **Hiking Boots:** \$10 per day
- **Rain Gear Tops and Bottoms:** \$5 per day
- **Water Bottles:** \$2 per day
- **Clothing:** \$3 per day
- **Gardening Gloves:** \$2 per day
- **The Whole Shebang:** If you need more than three of the items listed above, we charge a flat rate of \$30 per day.

ACKNOWLEDGEMENT OF RISK AND RELEASE

I: INTRODUCTION

It is important to understand that the Cottonwood Institute and its officers, directors, instructors, staff, volunteers, agents, medical advisors, independent contractors and all other persons or entities associated with it (hereinafter collectively referred to as “Cottonwood Institute”) is not offering a risk-free experience to participants, parents, guardians, or volunteers who participate in its educational programs and activities. If you have questions regarding this document, the physical and mental demands of Cottonwood Institute programs or activities, or the potential risks associated with participating in any Cottonwood Institute program or activity, please contact the Cottonwood Institute.

II: POTENTIAL HAZARDS AND INJURIES

Leading trips into the community, into the frontcountry (areas within an hour of definitive medical care), and into the backcountry (areas more than an hour from definitive medical care) can be difficult due to the fact that the natural world can be unpredictable. While Cottonwood Institute instructors and staff are well educated and trained, and they seek to safeguard our students, they are not infallible. Students also are expected to behave in a generally responsible manner and to not act in a manner that exposes them or students or staff to clear dangers. I understand that there may be times before, during, and after the start of a Cottonwood Institute program or activity where I/my child will not be supervised by a Cottonwood Institute representative. I understand that unsupervised time may include, but is not limited to, free time, and periods of time when I/my child is on a solo (“solo” meaning time where the participant is stationary and alone in the field, possibly overnight depending on the program or activity). Our trips expose students to some level of risk, including without limitation:

A: Potential Environmental Hazards: Potential environmental hazards students may encounter include but are not limited to:

- | | | |
|--|--|---|
| <input type="checkbox"/> Falling rocks and trees | <input type="checkbox"/> Wild animals | <input type="checkbox"/> Water hazards |

III: ASSUMPTION OF RISK

I hereby acknowledge that the Cottonwood Institute programs and activities involve inherent and other risks, hazards, and dangers that can cause injury, property damage, illness, mental or emotional trauma, disability, or death, to volunteers, participants, or others. I have read the description of the program and the information provided by the Cottonwood Institute to prepare for this program or activity and I understand the nature of the program and the risks involved. I assume full responsibility for myself/my child for the inherent or other risks (both known and unknown) from my/my child’s participation in the Cottonwood Institute’s programs and activities, and for any bodily injury, death, loss of property, and any expenses suffered by myself/my child resulting from those risks.

III: MEDICAL PROVISIONS; PERMISSION TO TREAT

Cottonwood Institute uses participant screening to help ensure proper alignment between the participant and the activity, not as a medical or psychological diagnostic process. I understand that the even though the Cottonwood Institute has reviewed my/my child’s health information as I/my child reported in the Medical and Health History Form, the Cottonwood Institute cannot anticipate or eliminate all risks or complications posed by a my/my child’s pre-existing or unknown mental, physical, or emotional conditions. The Cottonwood Institute strongly recommends that all participants in its programs or activities have adequate insurance (“adequate insurance” meaning insurance which covers all expenses due to personal injury and illness, and evacuation from the field due to such injury or illness). If a participant needs to purchase adequate insurance, Travel Guard is a company

that offers temporary Health & Accident Insurance policies for the duration of your trip. Please contact Travel Guard at (800) 826-1300 for more information. By signing this document, I (adult participants, or parent(s) for themselves and for and on behalf of their participating minor child) agree to assume responsibility for payment of all expenses resulting from an illness or injury to myself/my child. These expenses include, but are not limited to, the cost of emergency evacuation, transportation to and from medical facilities, operations, hospitalization costs, rehabilitation, and medications dispersed for my/my child's treatment. In the event of an emergency, I understand that the Cottonwood Institute will make an effort to secure proper treatment for me/my child. I hereby authorize and give permission for the Cottonwood Institute to obtain transportation for me/my child to a medical facility, to secure proper treatment for, order routine tests and treatment for, or to hospitalize me/my child in the event that I/we cannot give consent.

IV: RELEASE AND INDEMNITY AGREEMENT

I (for myself, or parent(s) for themselves and for and on behalf of their participating minor child) hereby voluntarily release from any legal liability and agree not to sue, the Cottonwood Institute with respect to any and all claims, liabilities, suits or expenses (hereinafter "claim" or "claims"), for any injury, damage, death, or other loss, in any way connected with my/my child's enrollment or participation in the Cottonwood Institute's programs or activities, or use of the Cottonwood Institute's equipment or facilities. I understand that in signing this document, I/my child and anyone acting on my/my child's behalf surrender our respective rights to make a claim against the Cottonwood Institute as a result of any injury, damage, death or other loss suffered by me/my child while participating in, or being transported to or from, the programs or activities offered by the Cottonwood Institute. I agree to defend and indemnify ("indemnify" meaning protect by reimbursement or payment) the Cottonwood Institute, with respect to any and all claims brought by or on behalf of me or a family member for any injury, damage, death, or loss in any way connected with my/my child's enrollment or participation in the Cottonwood Institute's programs or activities, or use of the Cottonwood Institute's equipment or facilities; and/or brought by a co-participant or other person for any injury, damage, death, or loss in any way connected with my/my child's enrollment or participation in the Cottonwood Institute's programs or activities, or use of the Cottonwood Institute's equipment or facilities. I authorize the Cottonwood Institute to use my/my child's photo, digital, or video reproduction in any manner, both real or imagined. I agree that the Cottonwood Institute owns the copyright to these images, including negatives, and I hereby waive any claims I/my child may have based on any usage of the photographs or works derived therefrom.

V: STANDARDS OF BEHAVIOR

Alcohol and drug abuse by participants, volunteers, parents/guardians, is strictly prohibited during Cottonwood Institute programs and activities. I agree to adhere to this Drug and Alcohol Policy. In addition, I agree that the Cottonwood Institute reserves the right to send home, at the Cottonwood Institute's discretion, any participant who violates the Drug and Alcohol Policy, that presents a safety concern, a medical risk, is disruptive, or otherwise conducts him/herself in a manner detrimental to the program. The Cottonwood Institute also reserves the right to search the belongings and/or person of any participant or volunteer who is suspected of violating the Drug and Alcohol Policy during a course or Cottonwood Institute event. I agree to pay any costs, including but not limited to transportation and housing costs, due to my/my child's dismissal from a Cottonwood Institute program or activity.

VI: LIMITATION OF LIABILITY; DISPUTE RESOLUTION; AMENDMENTS

IN NO EVENT SHALL COTTONWOOD INSTITUTE BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, SPECIAL OR PUNITIVE DAMAGES OF ANY KIND OR NATURE ARISING OUT OF THIS AGREEMENT OR THE STUDENT'S ACTIVITIES IN THIS COURSE, WHETHER SUCH LIABILITY IS ASSERTED ON THE BASIS OF CONTRACT, TORT (INCLUDING THE POSSIBILITY OF NEGLIGENCE OR STRICT LIABILITY), OR OTHERWISE, EVEN IF THE PARTY HAS BEEN WARNED OF THE POSSIBILITY OF ANY SUCH LOSS OR DAMAGE. I agree that if a dispute or controversy arises between myself/my child and the Cottonwood Institute, which we cannot resolve ourselves, we will resolve the dispute through a single, mutually acceptable, mediator in the state of Colorado. In the event this mediation is not successful we agree to submit any dispute to binding arbitration before a mutually acceptable arbitrator in Denver Colorado according to the rules of the American Arbitration Association ("AAA") or if we cannot agree on an arbitrator, then AAA shall appoint an arbitrator. **THE PARTIES HEREBY KNOWINGLY AND VOLUNTARILY, AND HAVING HAD AN OPPORTUNITY TO CONSULT WITH COUNSEL, WAIVE ALL RIGHTS TO TRIAL BY JURY, AND AGREE THAT ANY AND ALL MATTERS SHALL BE DECIDED BY AN ARBITRATOR WITHOUT A JURY TO THE FULLEST EXTENT PERMISSIBLE UNDER APPLICABLE LAW.** I agree that Colorado State Law (without regard to its conflict of laws rules) governs this document. No amendment of the terms of this Acknowledgement and Assumption of Risk and Release shall be binding on Cottonwood Institute unless agreed to in writing.

I have carefully read, understand, and voluntarily sign this document and acknowledge that it shall be effective and binding upon me, my minor children, and other family members, and my heirs, executors, representatives and estate.
